ABOUT US

Premier Water Tanks, with over 40 years in the heavy construction equipment industry has acquired Team G Water Trucks, a tried-and-true brand with over 25 years of water tank design and manufacturing. The move to acquire Team G Water Tanks first started over the course of two years when existing relationships recognized the potential in not only the Team G product but also the people behind Team G tanks. Once discussions turned serious with hints of an acquisition, the process took approximately one full calendar year. The deal was signed on February 15, 2022.

Premier Water Tanks manufactures on-road and off-road water tanks for the heavy construction equipment industry. Premier's mission is to provide a consistent, reliable product that saves our customers money, and continually leads the industry with innovative design and solutions.

WHY US

- ◀ Industry-leading, 3-year warranty
- ◀ Manufactured in the U.S.A.
- ◀ Premier Water Tanks offer the lowest center of gravity in the industry
- ◀ Non-intrusive install maintains your truck's OEM specs and resale value
- ◀ 100% pulse welded tanks increase longevity and structural integrity

OUR TANKS

- ◀ Premier products and steel are of the highest quality at a great price point
- ◀ No overkill, overpriced pumps. We provide customers with the right tank, not an overbuild
- ◀ Appropriate pumps, appropriate water usage
- ◀ Each Tank Spec'd to manufacture chassis for simple installation
- ◀ 3-4 week build time
- ◀ 12 hour installation time
- ◀ 100% proprietary tank design, unmatched by anyone in the industry

PRODUCT SUPPORT

- ◀ Industry-leading, 3-year warranty
- ◀ Direct relationship with the manufacture
- ◀ 60+ years of construction industry experience
- ◀ 25+ years of tank design, manufacturing, and industry solutions
- ◀ Contact product support directly at **PremoTanks.com** or speak with your salesperson
